## Message to Shareholders

Dear Choggiung Limited Shareholders,

As many shareholders are focused on the harvest season, Choggiung employees are working hard to execute a five-year strategy adopted by the Board of Directors at the June quarterly meeting. The new direction of our corporation is based on the leadership and vision of our Board of Directors and is supported by all employees of the company. The Board met in April to set the course of the company for the next five years by developing high level objectives. Over two days, the Board established corporate values and seven five year strategic objectives.

Our values guide our employees in their day to day duties while they carry out the business of the corporation. They set the standard for decision making and how we act. The following values create the basis of our corporate culture: integrity, fairness, courage, responsibility, and respect for our Alaska Native Culture including patience, sharing, humility, connection to the land and passing our heritage on to future generations.

The strategic objectives clearly communicate to our management team the most important work needed to be accomplished over the next five years. We are all excited to see what results our new Board and management team can accomplish together going forward. Our expectations are higher than ever before as our operating companies are seeing excellent results. Our strategic objectives are as follows:

1. Build the financial strength of Choggiung Ltd.
2. Provide for predictable and ever-increasing dividends.
3. Expand shareholder opportunities and benefits.
4. Make each of our real estate holdings "Best in Class".
5. Plan and prepare for business line diversification.
6. Protect and manage our land with generational vision.
7. Make Choggiung Ltd. and subsidiaries the best places to work.

In this newsletter you will find information about a new and exciting acquisition that is set to close on July 31, 2018, information about an Alaska Native Settlement Trust, change in fiscal year, Code of Ethics, asset sales, dividend policy, our scholars and more. Please take time to read about all of the exciting things happening at our company.

We are all working hard and pulling together to deliver positive results for our shareholders! While we blaze a new path to a strong future, be sure to contact your Board members and give them a pat on the back for a job well done or to let us know what we might be able to improve.

Sincerely,

Jack A. Savo, Jr.  
Chairman of the Board

Cameron Poindexter  
President & CEO

# Choggiung Ltd. Acquires Majority Ownership of Bristol Alliance of Companies

Choggiung Ltd. is excited to announce the acquisition of a majority ownership of the Bristol Alliance of Companies (Bristol) from Bristol Bay Native Corporation (BBNC). Bristol is a group of companies providing construction, environmental and professional services to private and government clients with offices in Anchorage and in the lower 48. BBNC will retain a minority interest and will remain actively involved in the continued success of the Bristol companies.

The Small Business Administration (SBA) approved the change in ownership and the sale is scheduled to close on July 31, 2018.

“This investment shows our confidence in the Bristol Alliance of Companies’ management, the quality work they do, and the future of this business,” said Cameron Poindexter, President and CEO of Choggiung Ltd. “On behalf of Choggiung’s Board of Directors and staff, I warmly welcome Bristol to the Choggiung family. We are all excited to unleash the potential this opportunity represents as we work to build our financial strength and provide benefits to our shareholders.”

The groundbreaking partnership between Choggiung and BBNC reflects a new trajectory and strategic investment in the federal contracting market for Choggiung.

“I am excited about the new partnership between Choggiung and BBNC leadership, and how Bristol’s work can contribute to their common goal of investing in the future of Native communities and the lives of shareholders,” said Travis Woods, President and Chief Executive Officer of Bristol Industries, LLC, who will continue to lead the Bristol companies. “Whether Bristol employees are renovating housing for the military, designing a new bridge in a remote Alaskan village, or exploring new opportunities, we remain deeply committed to safely delivering quality work for our clients as we have done for nearly 25 years.”

In 2014, with directive from BBNC’s Board of Directors to find innovative ways to invest in Bristol Bay, BBNC launched its In-Region Government Contracting Initiative (IGC). The program offers Bristol Bay village corporations’ federal contracting mentorship, training, and joint venture opportunities, with the goal to build a knowledge baseline and develop best practices to position a village corporation for growth and success in the SBA 8(a) program. Choggiung is a participant in BBNC’s IGC program.

“We are thrilled to see Bristol Bay village corporations like Choggiung gaining ground in the federal contracting arena,” said Jason Metrokin, BBNC President and Chief Executive Officer. “We are confident the Bristol Alliance of Companies have a bright future ahead under Choggiung’s leadership. BBNC looks forward to continuing our work to identify unique economic development opportunities in Bristol Bay.”

“I want to commend our board for its courageous and visionary leadership that brought us to this point. We are excited for this partnership with BBNC and the opportunities it opens for the future of our village corporation and shareholders.” said Poindexter.

To learn more about Bristol please visit their website at [www.bristol-companies.com](http://www.bristol-companies.com).

# Important Corporate Initiatives Shareholders Should Know About:

Choggiung Limited's Board of Directors approved a draft *Alaska Native Settlement Trust* called the *Choggiung Settlement Trust* to promote the health, education, and welfare of Choggiung's shareholders. The settlement trust will be voted on for approval by shareholders at the September 2019 Choggiung Ltd. Annual Meeting of Shareholders. A settlement trust is a trust organized under the Alaska Native Claims Settlement Act (ANCSA) and Alaska law to provide benefits to the shareholders of an Alaska Native Corporation. Choggiung's initial use of the fund will be to provide dividends to shareholders through a permanent fund as well as a distribution fund and for the purpose of scholarships for higher level education, vocational education and internships. The trust has been drafted with the flexibility to introduce new benefit programs in the future. These programs could include but are not limited to; elder's benefits, health & welfare, bereavement benefits, and any other benefits that would meet the purpose of the trust. Most shareholders will receive benefits paid from the trust on a tax free basis. Watch for more information regarding the creation of a settlement trust through our website, Facebook page and mail outs.

The Board approved a change in the corporation's *fiscal year*. The new fiscal year will be from to **April 1—March 31. The change in fiscal year changes the date of the annual meeting, which will take place on the last Saturday in September, beginning in September of 2019.** Choggiung management recommended changing the fiscal year because it is in the best interest of the corporation and its shareholders. This change will help manage our audit expense, offset our year end activities from the federal government's fiscal year and allow us to take full advantage of recent tax cuts.

A new *dividend policy* was approved by the Board of Directors to provide shareholders with predictable and ever-increasing dividends. The first dividend following this policy was distributed on May 4, 2018 for \$1.00 per share. If you did not receive your dividend please contact Tish Olson at 907-842-5218.

The Board approved a *Code of Ethics & Business Conduct* for Choggiung Limited and Subsidiaries. The document lays out the rules for our daily conduct and sets expectations for all employees. This important initiative will help us to comply with all laws and follow our corporate value of integrity.

## Asset Sales:

Choggiung is carrying out the disposal of unused assets such as boats, motors and other equipment no longer in use by the company. While Choggiung has plenty of resources to carry out this important function, available time is not one of them. To complete this time consuming task, Choggiung asked the Dillingham Wrestling Club for help. In turn, the Dillingham wrestlers are earning money for their program. This is both a win for shareholders and a win for youth in our community. If you are in Dillingham be sure to look out for additional inventory sales in the near future.

## Land Department — Mary Barnes, Director of Operations

The Nushagak River comes alive in early June and remains a busy location through the Chinook run, with permitted commercial operators and private users on the river. With the river water levels being higher than normal this summer and lack of king fishing throughout the rest of the state, we have experienced a lot of encroachment issues. Land Use Program staff do a great job of actively monitoring lands daily along the Nushagak River, ensuring that it is being used with respect and according to our guidelines. If you visit the Nushagak River this summer, stop at Choggiung's headquarters below portage creek and say hello to Don LeClair, Bill Wiley and Wayne Kapotak, our Land Use Program employees. If you are on the upper part of the river you may see Moxie Andrew patrolling in one of Choggiung's orange boats near Ekwok and New Stuyahok.

Choggiung Ltd. acted as host for the weigh station for BBNC Education Foundation's inaugural Neqa Fishing Derby held on the Nushagak River. The funds raised from the Derby went to BBNC scholarship recipients. Our hats off to BBNC staff for organizing a well-organized and exciting event!

Phase one of the conservation contract with the U.S. Department of Agriculture Natural Resources Conservation Service to perform Early Successional Habitat Development and Management was completed in late April. We were able to employ four shareholders and one descendant of a shareholder to work the project. The crew completed orientation and a chainsaw safety course before beginning work to enhance 156 acres of willow to make the habitat attractive to moose.

Work is underway at Choggiung and BBNC's 9.5 Mile pit. Quality Asphalt Paving is continuing work on the Dillingham Runway Rehabilitation Project; project completion is set for late fall. There's also activity this summer at the Snake Lake Rock Quarry; rock is being hauled out to be sent to Mekoryuk by barge.

## Umyuaq Technology, LLC — John Reeder, General Manager

"U-Tech" continues to grow and expand our skills and experience while increasing the business revenues. We now hold our second sole-source award under the Small Business Association (SBA) 8(a) program with the award of a contract from the United States Department of Agriculture's (USDA) Forest Service. "U-Tech" services include information technology providing data management, security, helpdesk services, infrastructure integration for telecommunication, computers, servers and peripherals. We also provide facilities support, operations, maintenance, professional services – analysis, statistical data collection, research, training, QA, and mechanical repair for preventive and corrective maintenance.

### **USDA's Forest Service**

The continuing delivery of software renewal services is vital to the USDA Chief Information Officer (CIO) as it seeks to effectively and efficiently provide a well-managed, reliable, secure, and adaptable IT infrastructure in which desktop, server, telecommunications and security tools are well integrated. This infrastructure requires the USDA FS CIO to make capital investments in both proven and innovative information technologies; sound implementation strategies; and, performance monitoring of systems, the network, and IT management structures.

Our newest contract provided IBM software packages to support technology tools in:

**Application Development:** database applications, forest service future planning, business analysis, GIS applications, research & development

**Web Development:** agency compliance, web coding and template design, web applications

**Data Management:** cartography, digital data management

**IT Support:** video conferencing, computer support, GPS, cell phones/iPads/tablets

### **Marine Corps Air Ground Combat Center**

The ATV Preventive and Corrective Maintenance contract is located at Twenty-nine Palms, California, approximately 70 miles north of Palm Springs, CA. This installation is primarily utilized for desert war fighting training, and contains numerous ranges covering approximately 801,920 acres where military exercises are held at varying times throughout the year. U-Tech performs over 620 preventive maintenance checks and services per year for 83 mission essential ATV vehicles. These vehicles also are used for medivac and transportation of supplies. Within 48 hours of initial contact, the U-Tech mechanic performs regular preventative maintenance inspection services consisting of a comprehensive 20 point checklist.

preventive maintenance checks and services per year for 83 mission essential ATV vehicles. These vehicles also are used for medivac and transportation of supplies. Within 48 hours of initial contact, the U-Tech mechanic performs regular preventative maintenance inspection services consisting of a comprehensive 20 point checklist.

This milestone second sole-source award means your firm is on our original strategic plan schedule and we now perform on two prime contracts and nine subcontracts.

## Have you completed a stock will?

Choggiung Ltd. would like to encourage you to file a Stock Will in order to benefit you, the Shareholder.

Keeping a Stock Will on file applies only to your Choggiung Limited shares and does not effect Native Allotment(s) or shares that you own with other corporations, nor will it have an effect on personal property. Each time you fill out a Stock Will, it cancels and replaces any previous Stock Wills you have on file.

If you do not submit a Stock Will your shares are divided per intestate succession in the following manner:

- ◆ Half (50%) to your spouse (if living), and the other half (50%) is to be divided among your children.
- ◆ If you do not have a spouse or children, your shares will go to your parents.
- ◆ If your parents are deceased, your shares will be divided evenly amongst your siblings.

All Stock Wills must be signed in front of a Notary Public and must be stamped to be valid. If a Notary Public is not available, you must sign in front of two witnesses and each must sign and date as well.

**Stock Will forms can be downloaded off our website at [www.choggiung.com](http://www.choggiung.com) or call (907) 842-5218 to have one sent to you. If you have any questions when filling out your will, please contact Tish Olson.**

# Choggiung Educational Endowment Foundation

Choggiung is pleased to announce that the Choggiung Educational Endowment Foundation will fund \$26,500 in Full-Time Scholarships this fall. The Board of Directors and staff send best wishes to all shareholders who are furthering their education. We are delighted to be a part of our shareholders future development.

## Choggiung Career/Work Enhancement Scholarship

The purpose of the Career/Work Enhancement scholarship is to provide assistance to Shareholders who wish to enhance their employability. Enhancement can be for the purpose of gaining knowledge or skills to get a job, change jobs or for enhancing skills in a current job.

Eligible individuals include any Choggiung Ltd. Shareholder who is at least 18 years of age or a high school or GED graduate. Scholarships shall not exceed the amount necessary for tuition or registration fees for a particular class, workshop, or event. Applicants may apply more than one time per year, however, in no case will an applicant be awarded more than \$500 per fiscal year in Enhancement scholarships. The scholarship shall be paid directly to the organization or institute.

To obtain an application please visit [www.choggiung.com/shareholders/shareholder-forms](http://www.choggiung.com/shareholders/shareholder-forms) or stop by our office at 104 Main Street. If you have questions regarding this scholarship, please contact Tish Olson at 907-842-5218, or email [tish@choggiung.com](mailto:tish@choggiung.com)

# 44th Annual Shareholders Meeting

The Choggiung Ltd.'s Annual Shareholders Meeting was held on March 10, 2018 at the Dillingham Elementary Gymnasium. The election judge reported that 49.3% of shareholders were present in person or by proxy and a quorum was established.

Shareholders heard from Choggiung Board Chair, Jack A Savo Jr., Master of Ceremony & Board Director, Jean Barrett, Board Director, Thomas Tilden, President & CEO, Cameron Poindexter and candidates running for 3 year terms on the Choggiung Board of Directors.

The final totals of votes cast as shown by the records are:

<u>Candidate</u>	<u>Votes</u>
Ida M. Backford	27,928.2949
Inez Bielefeld	28,922.5648
John A Heyano	35,622.0368
LouAnn Backford	21,146.7212
Niel Smith	24,108.4049
Karl R. Clark	805.1818

Congratulations to the three candidates who were reelected to serve three year terms on the Board of Directors: Ida M. Backford, Inez Bielefeld and John A. Heyano.

Board Chair, Jack A. Savo Jr. with Directors Kevin Tennyson and John A. Heyano.

Director, Inez Bielefeld and Finance Technician, Marina Hiratsuka.

Shareholders at the March 2018 Annual Meeting.

Thank you to all who participated by voting and attending the Annual Shareholder Meeting!

# Shareholders of the Year 2018

## Lance Nunn

Lance Nunn was born and raised in Dillingham, where he graduated from the Dillingham High School in 1971. Lance has dedicated an enormous amount of time, energy, and heart to the Choggiung family and the community of Dillingham. Throughout the years he has served us in many different capacities. Lance was involved in the Dillingham Volunteer Fire Department from 1973-1999 where he was Fire Chief for a number of years and looked after the safety of our families. He sat on the Choggiung Board of Directors from 1993-1999 and intermittently from 2003-2010 looking out for the best interest of our shareholders. He served as interim CEO and later was hired as chief executive officer of Choggiung Ltd. from the fall of 2010 to the summer of 2017.

Among his long list of accomplishments, Lance rebuilt the financial strength of Choggiung from some failures that caused our corporation financial hardship, divested from business ventures that were not profitable, oversaw the construction of the new courthouse, developed a partnership with Sea Lion Corporation in N&N Market, and re-launched an effort in 8(a) government contracting through an important strategic relationship with Bristol Bay Native Corporation. His service to others continues to the shareholders of Aleknagik Natives Limited as their Chief Executive Officer.

You wouldn't know all that Lance does because he isn't the type of person to take credit for his selfless acts of kindness towards individuals and organizations. He is an active member of the Dillingham Bible Fellowship and amongst it all he dedicates time to care for his family – the most important people in his life.

Thank you, Lance for your endless service to our community.

## Verna Lee Heyano

Verna was born and raised in Dillingham. She was employed by Quvaq, LLC as the manager of the Bristol Inn since being enticed back to Dillingham from Las Vegas, which was 17 years ago. Verna recently retired from the Bristol Inn last year to focus on her health. Anyone who has stepped foot in the Bristol Inn or met Verna in the community, remembers her for her generous spirit and lively interactions throughout the years. Under Verna's leadership at the Bristol Inn, she helped us provide hospitality to thousands of guests over the years. Many of them kept coming back to the hotel because of Verna's tireless efforts to keep the hotel clean, comfortable and inviting. She knew that our customer's experience came first, and she fought to have updated rooms, made sure they met the highest standards of cleanliness, and hired many workers that created a warm and welcoming environment.

For our hotel guests, it was a highlight of their visit to Dillingham to see Verna in her element. Verna was like family to many that have come into town for a visit on a work trip or just for fun. She has been a staple of the culture at the hotel and her contributions will be missed. While guests came and went, Verna stayed and developed many young employees start in their careers. She taught them the value of hard work, commitment, and an eye for that cleaning detail. Her influence on many of our lives will be with us for a very long time.

All who are lucky enough to know Verna personally; enjoyed her kind, caring, loving and giving personality. She spent her time with friends and family and always welcomed anyone into her home.

Thank you, Verna for keeping us all smiling. Choggiung staff and Board of Directors send their condolences to Verna's family. Verna passed away on June 30, 2018.

# 2018 Honored Elders

## **Natalia Wassilliey of New Stuyahok, AK**

Natalia was born in Dillingham to Nick and Sophie Suskuk. She is one of 7 children, three of which have passed. She married Blunka Wassilliey Sr. and together they have 6 children, 23 grandchildren, and 17 great grandchildren whom she is very proud of. She enjoys visiting with people of all ages, telling stories of the old times and the fun they had sharing and helping each other. Natalia's Grandmother Anna Petla, who raised her would speak with her to provide guidance, telling her to pass on to our younger generation the subsistence way of life.

## **Verna Lee Heyano of Dillingham, AK**

Verna was born at Kanakanak Hospital to Carl and Emma Nunn and was one of 6 children. She was married to the late John Heyano and had 2 children; Ronald "Ronnie" and Alvin "Dean" Heyano. Verna has 2 granddaughters and 1 great-grandson. Verna enjoyed spending time with family playing pinochle or "dollar-dollar." She loved traveling to see distant relatives and old friends, with side trips to Las Vegas and nights playing bingo. Verna began working when she was 14 years old, as a dishwasher at the Green Front restaurant. There are not a lot of places in Dillingham that Verna has not worked. She was employed at the Fisherman's Co-op, N&N, AC, Sea Inn, Kanakanak Hospital, Peter Pan Seafoods, Dillingham Senior Center, Dillingham City School District as a Cook, and the Dillingham Hotel. Verna retired from her position as the Bristol Inn Manager after 17 years of service. Choggiung staff and Board of Directors send their condolences to Verna's family.

## **Juanita M. Pelagio of Anchorage, AK**

Juanita was born in Dillingham to Jacinto Pelagio Sr. and Lucille (Gabriel) Pelagio and is one of 8 children. She has 3 children and 4 grandchildren. Juanita loves to travel, read, watch movies, enjoys photography, watching sports, playing pool, card games and spending time with family traveling or camping. She shared the following; "I'm most proud of being a mother to three of the nicest people on earth. Each of my daughters have grown into such kind, caring, and loving adults. Although Kim was taken from us too early, all three have given me one of the nicest gifts of all, my 4 amazing grandchildren. Each grandchild is as amazing & as nice as their mothers. They have such a diverse heritage, with ties to many countries, spanning the world with every tie making an indelible proud mark on their personalities."

## **Marilyn Lacriox of Fort Pierce, FL**

Marilyn's parents are Mary Louise Charles and Phillip Muarry Argall. Her siblings are Claudia Hood and Phillip Argall.

### *Other honored Elders this year include:*

**Norman S. Aaberg**

**Michael Carter**

**Ethel J. Olson**

**Ludwig A. Johnson**

**Georgette G. Haydu**

**Michael R. Laurine**

**Frank H. Nicholson**

# 30 Years of Service

Thomas Tilden was recognized at the 44th Annual Meeting of Shareholders for his 30 years of service on Choggiung Limited's Board of Directors. Tom was appointed to the Board on September 14, 1988 and has served consecutive terms since then. He served as the Board Chair from 1998-2002 and held numerous other positions as chairman and officer on Subsidiary Boards and committees.

During his chairmanship, the Board adopted a Board Standards of Conduct and put a Settlement Trust before the Shareholders. Most recently, Tom was instrumental in making Choggiung Ltd. the first Native corporation to take a stand opposing the Pebble Mine. He represents Choggiung at Nunamta Aulekestai, the first organized entity fighting the mine. Thomas remains a pillar in that battle, Region, State and world-wide; we all appreciate his efforts.

Quyana Thomas Tilden for your selfless service on the Choggiung Limited Board of Directors!

*Board Chair, Jack Savo Jr. presenting Thomas Tilden an award for 30 Years of Service.*

# Employee Recognition

5

**Warren Downs** began working for Choggiung in 2012 for the IT Department as our Systems Administrator. He is responsible for maintaining computer hardware and the many software programs that our corporation utilizes to manage payroll, leases, keep the hotel and diner systems up and running, and other daily work. Warren also manages day to day business for Choggiung Investment Company, LLC's storage facilities.

15

**Mary Barnes** began her career with Choggiung in 2002. She was first employed as the Receptionist/File Clerk, was promoted to Project Assistant and within the last year was promoted to the Director of Operations. She now oversees the Land Department, Choggiung Investment Company, LLC, and Quvaq, LLC. Mary's professionalism and dedication to the company show in all of the work that she does. She is a huge asset to the corporation and we are proud to have her on our team.
